

SEPLAT JV TEACHERS EMPOWERMENT PROGRAMME 2023

To promote creative thinking, allow for higher student engagement, and offer a well-rounded education Seplat has introduced the STEAM model of learning to secondary schools in Delta and Edo States; where Science, Technology, Engineering, Arts, and Mathematics (**STEAM**) are equal contributors to the process of learning. Secondary School Teachers in Delta and Edo States can be part of this highly impactful Seplat Teachers Empowerment Programme (**STEP**) by following these simple steps:

- Fill an Expression of Interest form using this link https://bit.ly/step_teachers_form
- Login details and data will be sent to your registered phone number.
- On **May 22, 2023**, sign into the test portal, put your login details and take the short test.

Qualified schools will be sent a text message and the Ministry of Education will also contact your school.

QUALIFYING TEST IS ONLINE ON MAY 22-27, 2023.

The programme which opens with a four-day residential workshop will provide leadership and self-improvement training, training on STEAM modules and its application to teaching. The teachers will also be provided with STEAM gadgets and Apps to support their delivery of quality teaching in our host states.

Note: Teachers and CIEs who were in the previous editions are not qualified to sit for the test or participate.
